Obituary.

The death of Miss Josephine Moore occurred at eleven o'clock Monday night, at their residence in Northwest Maryville, after an illness with cerebrospinal meningitis. In the afternoon she was able to sit up and appeared much better, but toward night grew worse, until eleven o'clock when she departed this life, and her pure spirit went into the presence of its Maker.

The funeral services will occur Thursday, and the burial will take place at Wilcox. We learn the above from Funeral Director B. F. Anderson.
